

Dear Mister Rudolf Hundstorfer,  
Minister of Social Affairs!

We are on holiday in beautiful Austria.  
We had to learn that, unfortunately,  
in Austria, in contrast to many other  
countries unemployed are not allowed  
to travel abroad. Especially the families  
and children of the unemployed suffer.  
Also family members who live abroad,  
can not be visited.  
We therefore ask you to allow  
unemployed vacation with continued  
payment of unemployment benefits.

Sincerly
